A&S STONE + TILE

A&S

# The A&S Story

Since 1971, A&S has been a trusted leader in the natural stone and tile industry, specializing in custom fabrication and installation of granite, marble, limestone, and engineered quartz surfaces.

We operate an in-house, high volume production facility and have a dedicated installation staff available to quickly service your needs. We also furnish and install ceramic, porcelain, and stone tiling on commercial projects of all sizes.

With over 50 years of experience, A&S is proud of our long-lasting reputation for reliability, professionalism, superior craftsmanship, and technical expertise. We have decades of experience in base building, multi-family, and interior fit-outs across multiple industries including restaurants, retail, and law firms. A&S is the only choice for all of your stone and tile needs.

## WHAT YOU'LL BENEFIT FROM

### On-Site Fabrication Plant

We have an expansive selection of stone slabs and tile showcased in our 25,000 sqft production facility.

### Loyal Customer Base

Working side by side with general contractors, architects, and owners, we understand what it takes to get a successful project from budgeting to completion.

### Reliable

With fast turnaround times, our dedicated staff quickly and efficiently services your needs.

### Quality Assurance

We ensure you only receive the finest materials, craftsmanship, and service.

### 100% Satisfaction

Client satisfaction is our primary objective and with our commitment to perfection, we won't stop working until you've got just what your client wants.
